Camp Sunshine provides retreats combining respite, recreation and support, while enabling hope and promoting joy, for children with life-threatening illnesses and their families. There is no cost for families to attend. All meals, lodging, on-site medical support and recreational programming are included! Travel funding is also available and prioritized for families attending Camp for the first time.

Join us for a family retreat to relax, connect with other families, and enjoy all that winter in Maine has to offer. In addition to indoor activities including the pool, arts and crafts, and evening programs, families can enjoy snowshoeing, sledding, ice skating, and an afternoon of skiing or snowboarding with lessons.
