INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Maggie's Wigs4Kids of Michigan, Inc. St. Clair Shores, Michigan

Opinion

We have audited the accompanying financial statements of Maggie's Wigs4Kids of Michigan, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of December 31, 2022, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

To the Board of Directors Maggie's Wigs4Kids of Michigan, Inc. St. Clair Shores, Michigan Page Two

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

The following is a summary of certain accounting policies followed in the preparation of these financial statements. The policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Basis of Presentation

The Organization follows accounting standards set by the Financial Accounting Standards Board (FASB). The FASB sets generally accepted accounting principles (GAAP) that the Organization follows to ensure they consistently report their financial condition, results of operations and cash flows. References to GAAP issued by the FASB in the following footnotes are the *FASB Accounting Standards Codification* (ASC).

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (Continued)

The financial statements of the Organization have been prepared in accordance with U.S. generally accepted accounting principles ("US GAAP"), which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donorimposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of the Organization's management and the Board of Directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Cash and Cash Equivalents

For purposes of the statement of cash flows, highly liquid investments with maturities of three months or less when purchased are considered cash equivalents and recorded at cost, which approximates fair value. The Organization places its cash and temporary cash investments with high credit quality financial institutions, and at times may maintain balances that exceed federally insured limits. As of December 31, 2022, the Organization had \$177,397 of cash that was uninsured.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Property and Equipment

Property and equipment are carried at cost or, if donated, at estimated fair market value at the time of the donation. Depreciation is provided on a straight-line basis over the estimated useful life of the assets. Expenditures for maintenance and repairs are charged to expense as incurred.

Donated Materials and Services

The Organization receives donations of material and services from various sources. The donated materials and services received are reflected in the accompanying financial statements at their fair market value in accordance with FASB ASC 958-605.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (Continued)

Functional Expenses

The costs of providing program and supporting services have been reported on a functional basis in the statement of activities and changes in net assets. Direct and indirect costs have been allocated between program, general, and administrative based on estimates from management. Although the methods of allocation used are considered appropriate, other methods could be used that would produce different amounts.

Income Taxes

The Organization operates as a not-for-profit corporation under Section 501(c)(3) of the Internal Revenue Code and is exempt from income taxes.

ASC guidance regarding accounting for uncertainty in income taxes clarifies the accounting for income taxes by prescribing the minimum recognition threshold income tax position is required to be met before being recognized in the financial statements and applies to all income tax positions. Each income tax position is assessed using a two-step process. A determination is first made as to whether it is more likely than not that the income tax position will be sustained, based upon technical merits, upon examination by the taxing authorities. If the income tax position is expected to meet the more likely than not criteria, the benefit recorded in the financial statements equals the largest amount that is greater than 50% likely to be realized upon its ultimate settlement. At December 31, 2022, there were no uncertain tax positions that required accrual.

Recently Adopted Accounting Pronouncement

In February 2016, the Financial Accounting Standards Board issued accounting standards update ("ASU") 2016-02 "Leases (Topic 842)". Under this guidance, an entity is required to recognize right-of-use assets and lease liabilities on its statement of financial position and disclose key information about leasing arrangements. As of December 31, 2022, the Organization did not have any leases that met the qualifications of the standard.
