

CODE OF CONDUCT

Attendance:

Volunteers play a pivotal role in the daily operations. It is important that you arrive on time for the day or days you are scheduled. We understand life interrupts, and ask that you notify us as soon as possible if you will not be available.

Personal Health:

We provide wigs and support services to children experiencing a wide array of medical conditions. Due to health challenges our children face, it is critical that you only volunteer when you are completely healthy to ensure the safety of our children.

CONDUCT, CONTINUED

Dress Code:

Appropriate attire should never include any clothing that promotes alcohol, drug use, profanity, or material considered sexual in nature. Dress code followed is business casual.

Professional Conduct:

Volunteers should remain professional at all times. If you are given a task that you feel uncomfortable completing, please let us know and we will find a different task for you. Please refrain from cell phone use unless you have an emergency and keep your headphones home.

ABOUT US

Maggie Varney is a licensed cosmetologist who has been in the beauty industry for over 40 years and is a successful business owner and entrepreneur for over 30 years. Maggie runs Maggie's Wigs 4 Kids of Michigan, a nonprofit, and Go Green, a socially responsible and eco-friendly full service salon. She is also a volunteer facilitator for the Look Good Feel Better program with a 30-year investment in helping the lives of women and men who experience hair loss.

Driven by passion when it was revealed that there was no place for kids to go where they could receive a wig, Maggie founded W4K in October 2003. The organization provides wigs & support services to children ages 3 to 18 at no charge throughout the state of Michigan. In 2010, we opened a Wellness Center where we offer classes, social activities, field trips, and counseling. We have grown tremendously the last few years. It has become necessary to establish a forever home where we can DOUBLE the amount of kids we serve.

ACTIVITIES

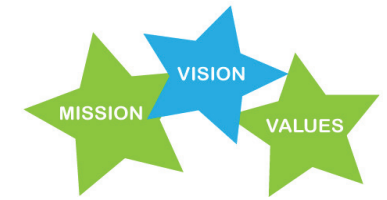

Our volunteers participate in a variety of activities to help us continue our mission. These include administrative tasks at our Wellness Center and volunteering at events in the community.

Our volunteers help on an individual basis. We can have smaller groups such as Girl Scouts, and we often have needs for larger groups at events. Call / email to inquire.
