

Our History

In October 2003, Maggie Varney sought help for youth in Metro Detroit who had experienced hair loss due to cancer. Her search revealed no Michigan based organization that provided appropriate wigs for children and teens, at no cost.

Compelled to assist these children, she founded **Wigs 4 Kids**. Soon, the nonprofit drew the attention of generous individuals who helped the group grow into a recognized organization. On January 12, 2005, **Wigs 4 Kids** was designated a non-profit. In June of 2020, the organization established a NEW **Wellness Center** where it is expanding programming to include nutrition & fitness, massage, nails, skin care and an Enchanted Tea Room.
