

Adopt-a-Kid Program

What is the Adopt-A-Kid program?

The Adopt-A-Kid program is specially designed so that individuals, groups or schools can directly help a child. By participating, you or your organization can help a child or teen become a recipient of a free hair prosthesis and services. In return, you will receive a certificate of recognition for your participation in the program, acknowledgment of your participation in our newsletter, and most importantly, the gratitude of the child or teen that you have so generously helped.

What is the cost of the Adopt-A-Kid Program?

The cost to sponsor a child in the Adopt-A-Kid program is \$1,000. The fair market value of a cranial prosthesis is \$1,500 - \$3000.

Maggie's Wigs 4 Kids of Michigan is a non-profit, 501 (c)(3) organization.

What does the sponsorship include?

You are the source of support for a child or teen. Your help benefits a kid socially, emotionally and physically. Your sponsorship helps them to resume their lives with family and friends at school and other activities. The kids and parents also learn how to care and maintain the wigs.

Your gift provides:

- Wig shampoo, conditioner, wig comb and brush
- Netted cap to be worn under wig to keep it secure
- Headform, stand & W4K tote for wig
- Tee pins to secure wig to headform
- Wire wig stand to use after cleansing
- Chinstrap to secure wig when styling
- Sleep cap to be worn at night
- Printed instructions of how to maintain & care for their wig

Will there be contact with the sponsored child?

To participate in our program, we ask each recipient to acknowledge your sponsorship by writing a thank you letter. Or you can remain anonymous, if you desire. No direct contact will be made with your sponsored child or teen except through Maggie's Wigs 4 Kids of Michigan.
