DAF-Friendly

Did you know? We have DAF-friendly giving options!

Check with your financial institution, community foundation, or charitable sponsoring organization that manages your DAF account to recommend a grant to Maggie's Wigs 4 Kids of Michigan. Once approved, the grant will be distributed directly from the donor-advised fund to our charity! This helps us continue our mission of providing wigs & support services to children ages 3 to 18 at no charge throughout the state of Michigan.

You can make a gift through a Donor-Advised Fund (DAF) and receive a letter of confirmation that no tangible benefits have been received. Intangible recognition (name mentioned in printed material) is permitted and provided.
